GO HOOPS

Nov 2025 Update

GO HOOPS!

Training has certainly tested our dedication lately, with cold, wet and dark evenings reminding us that winter has arrived (and that extra layers are essential!).

Thankfully, Saturday mornings have balanced things out with some lovely sunshine and much better conditions.

Cross country leagues are now in full swing, with plenty of mud and smiles on display, and the indoor track and field season is also underway — proving there's no such thing as an off-season for our athletes!
