Dec 2025 Update

# GO HOOPS!

As another fantastic year of athletics draws to a close, a huge thank you goes to all our athletes, coaches, officials, volunteers and families for the time, energy and enthusiasm you've given throughout the year.

Whether you've been training on cold, dark evenings, racing in mud, or supporting from the sidelines, you've all played a part in making this season a success.

The coming months promise plenty to look forward to - indoor competitions are with us, the cross-country season continues to test endurance – you are all amazing!

# 2025 Combined Events International

Our talented superstar athlete Talia was part of the England team competing at the 2025 Combined Events International competition at the Emirates Arena in Glasgow

Being selected to represent England is a huge achievement!

Finishing 2nd overall and gaining a new PB with a final score of 3414 points is just fantastic!

We couldn't be prouder of her especially as she also broke the U17 high jump club record, set in 1975, by jumping 1.69m!

Well done Talia for representing England and Dartford Harriers today.
