## GO HOOPS

Mar 2026 Update

# GO HOOPS!

March brought us a combination of cross-country events, marathons, half marathons and Kent Indoor Champs – at each event our athletes, officials and volunteers were there representing, supporting and cheering on.

Prep for the track and field outdoor season is underway now, with team managers in place and making plans - so that once again the HOOPS can be seen across the leagues

The training sessions are getting busier and busier as the evenings get lighter – its great to see so many of you around the track putting in the work as you always do.
