GO HOOPS

May 2026 Update

GO HOOPS!

May has meant the track and field leagues are well underway – the month has been heaving with amazing performances from around the club (as standard)

Its also been some of the hottest weather for the month ever so it was great to see athletes making alterations to training sessions to be safe in the heat.

Its not just been track and field events that you guys have been smashing – more half marathons, 10ks, 50ks, Joydens Wood Run – the HOOPS are everywhere and its brilliant to see.

And as always the ROAR of the support for all our athletes is constant...
