July 2026 Update

GO HOOPS!

Well July didn't disappoint - there's plenty to celebrate across the club.

Our league matches continue to provide some outstanding performances from our athletes and the best team spirit around as standard. Shout out to our master athletes who continue to prove that age is just a number and showing the younger athletes how it should be done, especially the Mens Vets Team who are now Kent League Champs 2026!

Unfortunately, we had yet another league match cancelled this month – this time due to a shortage of officials from other clubs. Proof of just how lucky we are as a club to have so many that get involved to allow the events to happen.

Away from the track, our distance runners continue to keep race organisers busy, turning out in force at 5Ks, 10Ks, and road races across the country.

This month has also seen English Schools selection and following their success at English Schools, we had 2 athletes represent England at the SIAB International, a fantastic achievement for both them and the club.

To close the month we had the Nationals, where our U16 and U18s were phenomenal once again claiming medals and pbs.

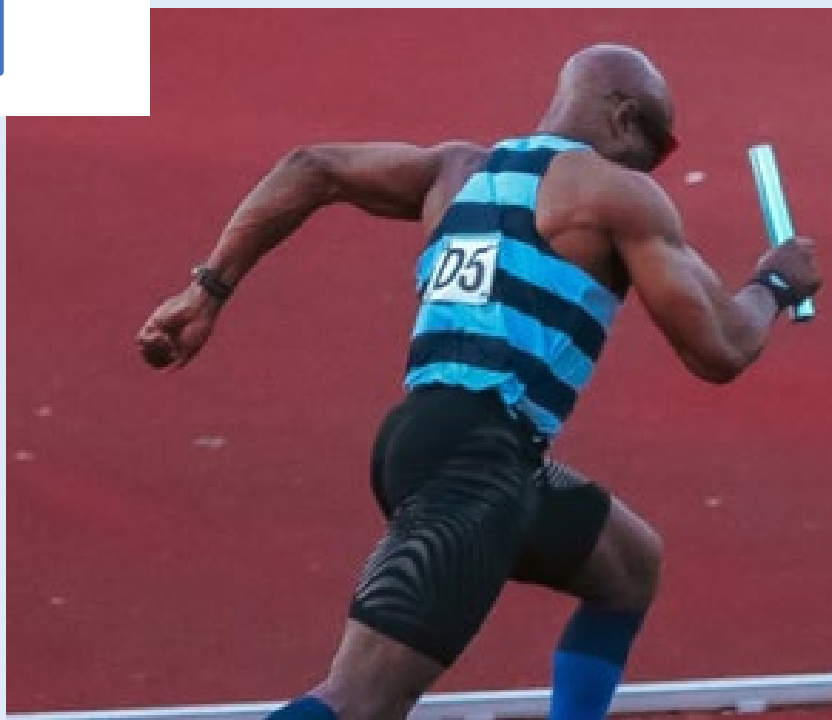

Whether you're chasing national selection, a personal best, or simply trying to survive a training session in the current heat everyone at the club is proud of you.
